Two Nights of

Huh?
Is it so
easy to
tell?

You seem
awfully
cheery,
Sayaka
-chan.

Ever since our fight ended, we've been getting along much better.

The
truth is,
it's about
Kyoko...

Let's
go grab
some
lunch!

But it feels like we're so much closer than we've ever been.

Perhaps it's because we touched on each other's complexes...

Even just this morning, we were together and...

It's kinda silly, isn't it? But that's what makes her so cute!

And that's the whole story.

That's why I've been feeling so great, lately.

Yeah!

I almost feel too happy.

Sayaka-chan, you sound really happy.

What
do you
mean by
"welcome"!!!?

Ah!
Kyoko-chan!
Welcome!

Yo!

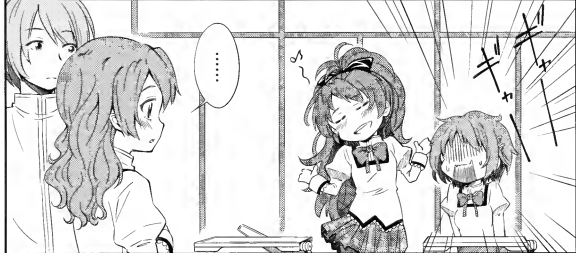

Well,
that's a
good question.
♪

Huh!?
Why!?
We're at
school!!

And why
are you
wearing
one of our
welcome!!

K-K-K-
Kyoko!?

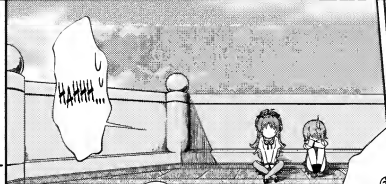

Naw!
Not quite!
I'm actually
Sayaka's
girlfr...

Huh!?
Um...

Sayaka-san,
Is she a
friend of
yours?
I'm not sure
I've ever
seen her
around
before...

Excuse me!
I've gotta
go check on
something
real quick!!

I just thought I'd come by and see how you're doing at school, Sayaka.

Uh... Sorry about that...

Geez! I just can't believe you! Why in the world would you come here...?

Gahhhhhh!! Shut up! Shut up! Are you stupid or something!?

Frankly, I'm surprised you get all lovey-dovey when you're at school...

And at this rate, I'm gonna miss my afternoon class...

ACHOO!

I'm sorry, too.

That's okay.

Sorry...

SHUT UP!!

Probably because you spent all that time gushing over me.

#

Ahhhhh!? I forgot to eat lunch!!

I'm surprised that you walk around with tissues in your pocket, Kyoko...

MMN!

Here. Let me wipe your nose.

It is already winter, after all.

Are you feeling cold?

Well, it's not like I can feel angry that she came to visit me...

Thank you...

MMN!

You're
so cute,
Sayaka.

How
can I
warm
you up?

Kyoko's
breath...

Is so
warm and
sweet...

AH!

Even though...

Sayaka, mine is kissing yours are kissing!

We're on the roof of your school...

MNM!

I want us...

To kiss...

And more!

More...

I'M GONNA CUM!

AGH!

I'M GONNA CUM!

Hmm?

Natsume Soseki
once said that
the English phrase
"I love you"
translates to
"The moon is
beautiful"...

Shipping class

This is rather difficult to explain. It's best to just google "Natsume Soseki, I love you", and you can get some info on it. He was a Japanese writer back in the late 1800s

I love
you so
much,
Sayaka!!

What do
you think
"I love you"
means,
Kyoko?

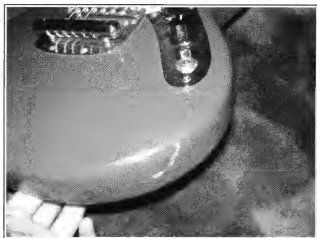

But I
guess
that's
one of
the things
I love
about
you...

Huh?

Sigh...
That's
not what
I meant...

あとがき

百合 ロリ ドントウォーリー！
あまろたまろです。

唐突ですがエレキギターが好きです。
作業が行き詰ると彼女のジャックにシールドブチ込んで
高速ストロークでガンガン鳴かしてやるのですが、
あまり頭の回っている状態ではありませんので。

そんなことをしていたら大事にしていた
momoseのギターを床に落としてへこませました。
塗装もボロボロ剥げました。
ジャックにも若干ダメージがあるのか
接触もなんとなく悪いです。
シビれます。震えます。
修理費いくらかかるんだろう…

今回映画化に伴ってアニメを最初から見直したのですが、
10話のまどかが泣き崩れるシーンは妙にゾクゾクしますね。
またほむまど本も描けたらなと思います。
それではまた。
